Pastor R. R. Figuhr
General Conference of S.D.A.
Washington 12, D.C.

Dear Elder Figuhr:

On November 13th, we sent you a brief letter about the reports which the brethren made on our manuscript. You referred to these in your letter of the 6th, for which we thank you. As we have had no reply or acknowledgment, we must assume our letter did not reach you. Accordingly we are sending you this further note.

The gist of our letter was to request you to let us have copies of the entire report of each of the five brethren. We are certain you recognize that much study and research went into the document "1886 Re-examined." In view of the fact, however, these brethren consider us to be misguided and the manuscript to be erroneous, we believe it would be well and in order for us to have the benefit of their full counsel as found in their reports and to know the reasons why they have come to their conclusions. We certainly hope you will be able to arrange for those reports to come forward.

With a prayer for you in your terrible responsibilities, we remain,

Yours sincerely,

D. K. Short
